We are proud to announce that HOTPURS USA will be participating in the Juvenile Diabetes Research Foundation's Walk to Cure Diabetes. This exciting, family-oriented event will be held on SUNDAY, NOVEMBER 8 at UCSD.

Hotspurs USA is committed to having a large team of Walkers raising at least \$5,000 collectively. To accomplish this goal, we are asking each of you to join our Walk to Cure Diabetes team. HOTSPURS USA will match all donations totaling up to \$1,000.

Approximately 24 million Americans suffer from diabetes, including hundreds of thousands of children affected with this lifelong disease. With your support, the Juvenile Diabetes Research Foundation (JDRF) will continue its mission: to find a cure for diabetes and its complications through the support of research.

Joining our winning team is easy! The first step is to sign up or register online at www.jdrf.org. The second step is to simply ask your family, friends and neighbors to sponsor you by making a contribution to JDRF, or to walk with you on the Hotspurs USA team. You can even fundraise online at JDRF's Walk Central to raise even more money. The third step is to join us as we Walk to Cure Diabetes!

I know each of you will do your part to support both Hotspurs USA and the Juvenile Diabetes Research Foundation in this worthwhile community event.

Contact Team Captain, D'Anna Cook at (619) 749-8882 or at cooksrus@cox.net for more information.

Thank you for your continued support!
