## **INTRODUCTION**

The purpose of this document is to provide Hotspurs United Soccer Association (Hotspurs USA) players, parents, volunteers, coaches and team managers with a reference handbook from which a better understanding of Hotspurs USA organizational structure, policies and procedures may be gained. The intent is to provide the Hotspurs USA soccer community with source material useful in finding answers to many of the questions that arise each year, as well as an ongoing means of documenting Hotspurs USA policy and procedure.

## **HOTSPURS USA -- BACKGROUND**

The Hotspurs USA Soccer Club was established in 1975 in affiliation with the US Youth Soccer Association (USYSA) through the California Youth Soccer Association-South (Cal South). We are one of the oldest competitive soccer clubs in San Diego and take pride in our great tradition.

Since our founding, we have been dedicated to providing player and team development in a positive learning environment intended to reinforce character growth and good sportsmanship as well as prepare the player for competition at his/her highest potential level, including collegiate, professional and national team play. The goal is to take the Hotspurs player to the highest possible level with the knowledge that success and commitment on the soccer field transfers to success in everyday life — schoolwork and beyond. Hotspurs USA has a long history in helping player-students with college placement and assistance. As a club, we understand that we are dealing with youngsters. We have always been committed to being responsive and sensitive to player/parent relationships and their needs.

### **Mission**

Hotspurs USA is committed to the following:

- Provide the opportunity for the serious and talented soccer player to play at a competitive level best suited to his or her individual ability.
- Provide an Premier team at every age group with the goal of competing at the national level.
- Provide a professional coach or trainer for every team to ensure player development.
- Provide the opportunity for clinics, individual instruction and camps designed to permit each player to achieve the highest degree of improvement and success possible.
- Provide a positive learning environment as well as player/parent relationships designed to transfer success on the soccer field to success in their schoolwork and beyond.
- Provide support for the community and families, including funding scholarships, promoting high school soccer and academics, college counseling and assistance for those interested in continuing their soccer careers and education.

### **Tax Status**

Hotspurs USA, as a 501 (c) 3 non-profit organization, adheres to all appropriate tax regulations. One of the benefits of this status is the ability to solicit and receive donations, which donors may treat as deductions for income tax purposes. In order for donors to utilize the tax-exempt status, donations or sponsorships must be made to Hotspurs USA and not to individual teams. Based on Hotspurs USA policy regarding sponsorship monies or donations, a large portion of the funds received on behalf of a particular team will be remitted back to the team for their own use.

## Organization

The Hotspurs USA Soccer League is composed of players, parents, coaches, directors, team managers, and board of directors. Board positions are both appointed and elected; all serve as volunteers. An elected Board of Directors (the Executive Board) administers the business of the League and is assisted in decision-making by appointed volunteers that have accepted leadership positions within the League. Each team's Team Manager represents that team to the Board. Currently, Board positions include the following:

- |   |  |
|---|--|
| <input type="checkbox"/> President (Presidio Rep)                               | <input type="checkbox"/> CFO/ Treasurer                        |
| <input type="checkbox"/> 1 <sup>st</sup> VP – Field Operations                  | <input type="checkbox"/> 1 <sup>st</sup> Board Member at Large |
| <input type="checkbox"/> 2 <sup>nd</sup> VP – Player Services & Risk Management | <input type="checkbox"/> 2 <sup>nd</sup> Board Member at Large |
| <input type="checkbox"/> Secretary  | <input type="checkbox"/> 3 <sup>rd</sup> Board Member at Large |

Nominations for Executive Board positions are made in August of each year at the regularly scheduled General Board meeting with elections held in September. Nominations for President, 2<sup>nd</sup> Vice President are accepted in even numbered years. Nominations for 1<sup>st</sup> Vice President, CFO/Treasurer and Secretary are accepted in odd numbered years. All teams are considered members of Hotspurs USA, and, in accordance with Hotspurs USA by-laws, are eligible to one vote per team. Write-in candidates are not accepted. Board meetings are held on the first Monday of each month from 7:00 pm to 9:00 pm at the Bostonia Recreation Center. All interested participants are encouraged to attend. You must submit a letter of request no less than fifteen days prior to the board meeting if you wish to have an item be placed on the agenda. You may e-mail this to the club President at the address listed on the club website ([www.hotspursusa.com](http://www.hotspursusa.com)).

## TEAM FORMATION

### Tryouts

Team tryouts are conducted twice yearly broken down into two age groups: "Youngers" - encompassing players Under 8 through Under 14 and "Olders" – encompassing players Under 15 through Under 19. Tryouts for the younger ages are generally held late February or early March after the completion of state cup competition. Older tryouts are generally held late April or early May after the completion of state cup competition.

### Player Selection

Selection is based on the player's demonstrated abilities, development potential, and the number of available positions on the team. Players are chosen by the Directors and coaches, and placed on teams according to skill level.

### Number of Players Per Team

The youngest teams, U10 and below, play eight to a side and usually roster between 10 and 12 players. Older teams, U11 to U13, play 11 to a side and generally roster 14 to 16 players. The oldest age groups, U14 to U18, will often carry 16 to 18 players on their roster.

### Playing Up

Generally, Hotspurs USA discourages players from playing beyond their own peer group as determined by age. However, there are some exceptions as follows:

- If Hotspurs USA does not fill a team in the player's age group, the player may be eligible to play on a team in the next higher age group
- If the player has previously been approved by Hotspurs USA to play in a higher age group
- When the player has displayed extraordinary abilities that warrant the move to a higher age group. This move can only be made with the approval of the Director of Coaching in consultation with the player's parents and the coach
- In the spring soccer program, competitive players may be moved to the next higher age grouping in order to equalize the skill proficiency of the players

## **Playing Time**

At the competitive level, playing time is something that must be earned. It is the incentive and reward for demonstrating the highest level of skill, game knowledge and ability during practice and games. Playing time is at the sole discretion of the coach based on the coach's assessment of a player's performance during practice and the player's demonstrated ability to use their ability, skills and game knowledge to benefit the team in game situations. At younger ages, coaches are encouraged to give all players as much opportunity as possible to demonstrate game worthiness. As players become older, approaching high school age, increased emphasis should be placed on earning playing time and recognizing the role that their abilities support. This is perhaps one of the hardest life lessons that sports can teach.

## **PLAYER RESPONSIBILITIES**

Soccer is a sport. Players must work hard to master the skills, but should have fun applying them. The experience should be positive and rewarding and can be so by following these guidelines:

- Learn the rules of the game and abide by them.
- Demonstrate sportsmanship.
- Accept the referee's calls and move on with the game. You distract the focus of your teammates and are a detriment to your team if you are focused on the last call and not the current play. Throwing hands out, waving the referee away, whining and making calls for them only make things worse.
- Overcome your opponents with skill, effort and technique, not poor conduct and bad behavior.
- Encourage teammates; never criticize.
- Lead by example. Always hustle; never give up.
- When the game is over, accept the outcome. Your opponents may end up as teammates somewhere down the road. Respect that they love the game as much as you do and wish them well.
- Show up at the field ready to play and determined to win.
- Thank the referee for being there to call the game. Even a poorly called game with a referee is a fairer match than one with no referee at all. The referee cannot win. One side or the other often believes he has done poorly.

## **Dealing with Referees**

Players who argue with the referee are not living up to the spirit of good sportsmanship. Coaches must impress upon these players that their comments to referees can have a negative impact on the entire team. Communication with officials should be limited to quiet sideline conversations and not public displays. All participants should realize that referees do make mistakes, but pointing out mistakes is distracting to everyone involved.

## **SIDELINE CONDUCT FOR EVERYONE**

Everyone should remember that soccer is a game and that each team will experience its share of wins and losses, good days and bad days, good refereeing and bad refereeing, similar to the experiences we each encounter in everyday life. It's important for coaches, players and parents to

avoid inappropriate behavior during practices and games. Treat everyone with respect and dignity and you will truly be a winner by any measure.

## **48-HOUR RULE**

### **Parent-coach Relationship**

Communications are the key to parent-coach relationships. Bear in mind the coach is a paid professional whose responsibility is to develop players and make tough decisions.

### **Coach-Manager Relationship**

The manager handles administrative issues and needs to keep their fingers on the pulse of the team, informing the coach of potential problems with players or parents. The manager does not set team goals and objectives, make tournament schedules, or player decisions.

The club's policy on communications is simple. Any complaints or issues dealing with the club, a coach, a manager, or other parents should be addressed in the following manner no sooner than forty eight (48) hours after the infraction or issue occurs never during or immediately after a game.

1. Players and parents first talk to the manager and the coach
2. Players and parents then talk to the Director of Operation if not satisfied with #1
3. Players and parents then talk to the club President

One of the roles of the Directors of Operation is to mediate disputes. Players, parents, coaches and managers must follow the steps described above. The Directors of Coaching first question when approached will be to ask if these steps were followed. If the above steps have been adhered to, the Director(s) of Operation will work together with you and the problems should be easily resolved. When the above procedure has not been followed, you may lose the support of the Directors of Operation and the Board.

## **TEAM MANAGERS SECTION**

What does it mean to be Team Manager? Frankly, it means a lot of hard work and effort that can be quite rewarding if organized properly or a great deal of frustration if done improperly. This section of the handbook is designed to help ensure that you experience the former. Please consider this section as a guide that may require some modification according to your team's specific circumstances. Any changes or corrections should be directed to the Board for incorporation into the next version of this document.

### **Team Manager Responsibilities**

In addition to being a liaison between the League and the team, the Team Manager performs the following duties or may delegate some of these duties to another parent on the team:

- Authorized and appointed by the coach to serve as a liaison between team parents and the coach. It's important that the Team Manager support the coach by directing all questions concerning player selection, player positions and playing time to the coach

- Handle financial duties for the team – collecting Hotspurs USA registration fees, collecting team tournament fees and paying team expenses
- Work closely with Hotspurs USA’s Registrar to register players
- Obtain uniforms from the Director of Player Services
- Handle all aspects of regular season games and playoffs
- Manage and print Roster Game Reports (line-up sheets) prior to Presidio League games and reports scores via the online system within 24 hours of the game ending
- Handle all aspects of tournament registration
- Handle game reschedules by working together with the Hotspurs USA VP Field Operations
- Attend manager’s meeting

Team Administrators (Managers) must be cleared via the Department of Justice “Live Scan” process, be issued a Cal South Risk Management Card and approved by the Hotspurs USA Board of Directors prior to functioning in any capacity whatsoever as a team administrator.

## **WHAT TO EXPECT FROM YOUR COACH**

At Hotspurs USA, coaches are the leaders of the team and are responsible for player positioning, practice, organization, game strategies, playing time, and player development. They are also responsible to make sure that communications from the club reach the players and parents. Coaches are expected to set an example for the players and they are your direct representatives of Hotspurs USA, at all times. Coaches are expected to:

- Adhere to the highest level of ethical conduct and professionalism on the field, at practice, and in the community. This includes being prepared for and creative with practice, training and games.
- Treat players, parents, referees, opposing coaches and players with respect, always remembering that soccer is a game and dealing with adversity is a life lesson from which the players can learn. Coaches represent the players, the team, the League and the soccer community in general. Their actions can influence and impact all those that they represent.
- Demonstrate through their actions a commitment to Hotspurs USA, its mission statement, bylaws and policies.
- Know and follow the Laws of the Game, the leagues and tournaments in which their team participates.
- Refrain from recruiting carded players from another club in accordance with Cal-South rules.
- Attend coaches meetings and coaching clinics as arranged and scheduled by the Director of Operation.

- Personally organize and conduct two to three practice sessions each week, beginning well in advance of the playing season and running through the entire season.
- Establish a good working relationship with the Team Manager and rely on him/her to handle administrative tasks of the team.
- Refrain from damaging the goal areas through excessive use during practice.
- Refrain from smoking in the presence of the players, on and around the field.
- Help the players and parents understand the individual and team goals relative to soccer development each season, and to help the individual player recognize and identify their own strengths and weaknesses, along with ways to apply and improve on them.
- Support the League and its activities by following its policies.
- Act as a conduit of information between the team, the Director of Operation and the Board bringing to the Board's attention any issues that arise or need attention and disseminating information to team members and parents.
- Hold and attend at least one-team parent meeting each season to communicate your expectations to the parents and players. It is suggested that the fall season meeting be held well in advance of the season to indoctrinate new players and parents and that the scheduling of that meeting be coordinated with the Director of Operation so that he/she can attend and address the team on behalf of the League.
- Demand and enforce a Code of Conduct mirroring that expected of the coaches and players-- respect, civility, composure, support and a positive attitude.

## **REGISTRATION FEES**

The Board determines the Administrative and Coaching fees, i.e., Registration Fees, annually for each age group. These fees cover the costs of operating and maintaining the organization and include such items as: registration of each player with Cal-South, Presidio League fees, field maintenance and rental, coaching fees, director's compensation, equipment purchase and repair, referee fees, advertisement, scholarships, uniforms, insurance, pictures and other administrative costs. A player is assessed a full year's fees at the tryouts each spring.

The administration and coaching fees cover the following items:

It is Hotspurs USA's commitment to provide the highest quality soccer program possible. All money collected through registration fees and fundraising goes directly into running a first class soccer program. As a non-profit organization with virtually no assets it is essential for us to collect all registrations fees. If you are having trouble paying your fees please communicate in writing to the Board for financial consideration. In the event the parent(s) fail to make payments in a timely manner and do not commit to and follow a mutually agreeable payment agreement with the Board of Directors, the player's involvement with the team will be limited to being on the sidelines during games and non-participation at practices until payment is received in full. Hotspurs USA will also refuse to release a player to another team or league until the account is current and all outstanding fees have been paid in full. Failure of Hotspurs USA to exercise this option shall not constitute a waiver of the right to exercise it in the event of any subsequent default. Please note that by signing the Cal South registration form, you are committed to Hotspurs USA until July of the following year unless transferred or released.

### **Registration Night**

Hotspurs USA will hold a registration night approximately two (2) weeks after the conclusion of tryouts in order to obtain commitments from players and begin team formation. At this registration night, much of the administration work can be accomplished. Parents must provide two (2) copies of their child's birth certificate (only if new to Hotspurs USA), two current passport size photographs, and their credit cards or checkbooks. All registration deposits collected are non-refundable.

### **Financial Assistance**

It is never the intent of Hotspurs USA to exclude any player for financial reasons. We offer many fundraising programs to parents to help pay for their registration and coaching fees by selling advertisements for our website and/or tournament program or even becoming a referee. Your team manager will provide you with the needed information.

### **Discounts Available**

Hotspurs offers the following discounts:

1. Sibling Discount – The second, third and fourth player in the same family receives a \$25.00 discount. Discounts are to be applied to the youngest siblings first.
2. Board Member Discount – Board Members receive a discount equal to the amount of one child's full registration fees and are prorated backwards for non-completion of any 12 month term.
