

Hotspurs USA Scholarship Agreement

As the recipient of a Hotspurs USA TEAM scholarship for the 2018-2019 Season, I agree to the following terms:

My son/daughter will attend all games, practices and club training sessions. If my son/daughter cannot be in attendance, I will notify the coach, in advance, to explain the reason for the absence.

- My son/daughter will be committed to Hotspurs USA for the entire 2018-2019 season, and will not transfer to any other Club or Team. The transfer to another Club or Team, will result in my son/daughter losing his/her scholarship and will require the full payment of the entire Hotspurs USA club fees for the year.
- If my son/daughter does not fulfill this obligation, the player will be put in bad standing with the club and CYSA (California Youth Soccer Association). Bad standing: a player cannot participate in practices and scheduled league games and it also prevents the player from transferring to another club.
- I understand that the scholarship cannot be applied to the players kit expense but only toward registration fees.
- Scholarship recipients must pay their balance by the due date and to commit volunteer hours to Club events as requested by the Volunteer Coordinator.

With my signature, I agree to all of the aforementioned terms. If I fail to comply in any way with the aforementioned terms, I understand that my scholarship can be terminated.
